

## FOR MAY 20, 2018

| Joab: Amoral and Ambitious | 2 Samuel 3-5 |
|----------------------------|--------------|
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
| I. Joab's Short Term Gains |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |
|                            |              |

| I. Joab's Long Term Pain |
|--------------------------|
|                          |
|                          |
|                          |
|                          |
|                          |
|                          |
|                          |
|                          |
|                          |
|                          |
|                          |
|                          |
|                          |
|                          |
|                          |
|                          |
|                          |
|                          |
